

Genomics & Bioinformatics

Research Administration
Seattle, WA • 501(c)(3) Nonprofit

Fred Hutch's Shared Resources are catalysts for lifesaving discoveries. This uniquely centralized program of 15 specialized core facilities and scientific services drives advances by integrating dedicated experts and cutting-edge technologies across the entire research pipeline, from basic science to clinical trial.

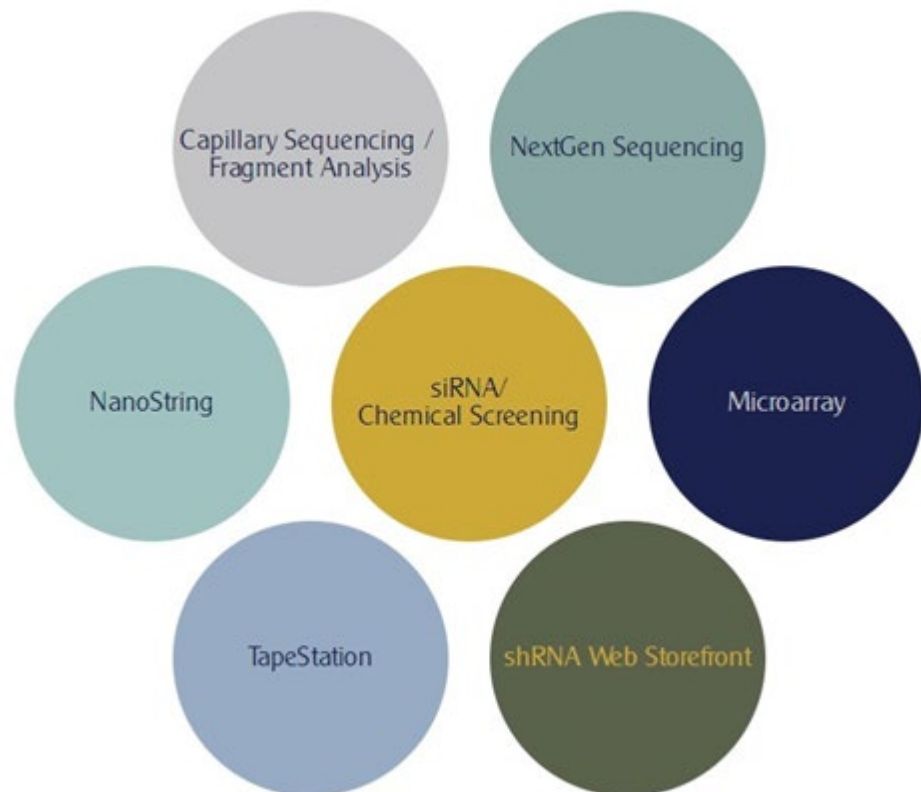

Genomics Services

User instructions for submitting sample information for a variety of services, including Illumina Sequencing, CE Sequencing, TapeStation, and Nanostring.

Overview

You must have a HutchNetID and be on the Center network in order to access HutchBASE. Click here: <https://hutchbase.fhcrc.org/base2/>
