Terms and Definitions:

1 - Faculty

Based on Primary Appointment. If joint appointment to Fred Hutch and UW, fees will be assessed based on where the grant or contract funding is prime awarded.

2 - Industry Sponsored

A study that has financial support from a commercial company. This includes protocols written by the commercial company or by the investigator.

3 – Cancer Consortium Location

Fred Hutch; Seattle Children's; all UW Medicine sites covered under UW Federalwide Assurance FWA00006878 (e.g. Harborview, UW Clinics, etc.); all SCCA sites covered under SCCA Federalwide Assurance FWA00000334 (e.g. SCCA Clinic at Evergreen, SCCA Clinic at Northwest Hospital, etc.); and for LAPS NCTN studies conducted at Northwest Hospital and Women's Cancer Care.

4 - Additional Participating Site

Each site with their own Federalwide Assurance relying on Fred Hutch IRB, or site with one or more Individual Investigators relying on Fred Hutch through Individual Investigator Agreements.

5 - Initial Review Fee

Fee assessed after the IRB completes review of the initial Performance Site Application, regardless of IRB determination (Approved or Approved with Minor Modifications).

6 - Continuing Review Fee

Fee assessed after the IRB completes review of the Continuing Review Application for the performance site, regardless of IRB determination (Approved or Approved with Minor Modifications). Fee is assessed at each continuing review cycle.

7 - Community Engagement Site

Site where data or subjects are accessed to accomplish the Fred Hutch investigator's research goals.

Additional Information:

IRB Fee waivers will be considered on a case-by-case basis. [Fee waiver requests](#) must be submitted via email to the Vice President of Research Administration. The request should contain the following information:

- A summary of the study objectives and procedures; and
- A description of the site(s) involved (and activity of each site)
- Justification for the waiver of the fee for IRB review.
